THE  
GENTLEMEN'S  
EXPO

## The Experience

Enjoy a 2 night stay at a 4-star hotel near the Gentlemen's Expo when you and a friend head to Toronto for the weekend. The Gentlemen's Expo is an experience of its own with speakers, celebrity appearances, music performances, casino card games, and much more. However, Cornucopia Events has arranged a few special experiences for you to enjoy that are only in very limited supply, including a special chance for you and your friend to meet Manny Pacquiao and take a photo with him.

Wake up to a luxury brunch on Saturday, which fewer than 100 people are allowed to attend, and watch a special Q&A session with Manny's first boxing trainer, Damos Inot, and Spider Jones, Muhammad Ali's sparring partner. Later that day, Manny himself will be speaking, and we have reserved a special viewing section for you and a friend near the front section. From there on, enjoy the Gentleman's expo with appearances from Mariano Rivera, Chris Jones (America's Got Talent), Damon Snider (Home Design for Men), and many more. To remember this knockout weekend, take home a limited edition, hand-signed Manny Pacquiao boxing glove. An experience that is truly rare and exciting for any guys' weekend getaway.
