PRIVATE SCREENINGS
LONDON

Your personal experience begins as you walk through the door and enter our luxury bar area. You can choose to eat there or in the screen – your food will then be discreetly delivered to your seat whenever you'd like it, whether that's during the trailers or half way through the film. Of course if you need a top up, the waiters are on call throughout the film and will be more than happy to oblige, just press the button on your armrest and they will be there to look after your needs.

With no more than 50 seats, each of which reclines at the touch of a button and has double the leg room of a normal cinema seat, the screens offer an intimate atmosphere. Every screen is equipped with the highest quality state of the art sound and projection, offering you the best possible film viewing experience.

A photograph of a man and a woman in a movie theater. The man, on the left, is wearing a light blue button-down shirt and is smiling while holding a tray with two small burgers and a cocktail glass. The woman, on the right, has long blonde hair and is also smiling. They are seated in dark theater seats. The background is dark, typical of a movie theater.

CORNUCOPIA EVENTS

At the heart of this unique experience is an innovative approach to fine dining where an exclusive menu, overseen by Consultant Chef Rowley Leigh, is delivered by our service staff directly to your guests' seat. Each screen is designed so that it has the optimum space and lighting to ensure that our highly trained waiters can deliver your food discreetly to your seat side table with minimal interruption to the film. Each table has an innovative layer of sound proof material so that minimal noise is made when your food is delivered. Every detail has been carefully considered; even the waiters' uniforms and the plates are black to minimise the distraction from your film.

Package includes:

- A drinks reception with drinks and canapés prior to the film (half a bottle/3 glasses of Charles Vercy Champagne per person)
- Screening of any film you choose with a 2 course meal and drinks served at your seat
- A total of 3 additional drinks either during the reception or in the film screening
- A goodie bag
- A souvenir ticket
