# EXCLUSIVE EXPERIENCE AT THE PENFOLDS GRANGE

# CORNUCOPIA EVENTS

Be the envy of all your friends as you taste wines from the world famous winery.

In Australia, you will visit the world famous Penfolds Grange. The wine is predominately made from the Shiraz (Syrah) grape. It is widely considered one of Australia's "first growth" and its most collectable wine.

VINTAGE 2008 BOTTLE No. FF932  
Grange is recognised as Australia's and indeed one of the world's finest red wines. This famous wine, developed by Max Schubert commencing with the 1951 vintage, is made from low yielding Shiraz vines grown at selected vineyards in South Australia and complete fermentation in new American oak hogsheads prior to bottling. During an extensive tour of Europe in 1950, Max Schubert studied winemaking practices that have now become an integral part of Penfolds' winemaking technique. He also observed the practice of maturing wine in new oak barrels, a method previously unheard of in Australia. The development of Grange represented the beginning of a new era in Australia's red winemaking tradition. This knowledge, combined with Max Schubert's foresight, skill and dedication, has resulted in Grange, the definitive Australian dry red wine, acknowledged to be among the world's classic wine styles.
