Our Previous Clients

Comments From Our Clients

Working with Mini at Cornucopia Events™ has been an absolute delight. His attention to organisation, detail and ensuring that everyone is taken care of personally is first class!

Sarah Brannigan, Royal Bank of Scotland

Cornucopia Events™ very quickly locked on to the flavour and charm Coca Cola were looking for and wanted for our Christmas Party. They thought of all the tiny details to make the evening memorable and flowing. Their staff were delightful and I had many comments about how classy the event was. All 350 of our staff loved the night and the party was the talking point in the office way into January of the following year!

Chris Bond, Coca Cola

Cornucopia Events™ were fantastic and helped make the MTV Europe staff summer party go down in our history as one of the best. Great attention to detail, always on the end of the phone and always with a smile. A very happy and pleasant experience.

Nicole Mclean, Pan European Events Coordinator, MTV Networks Europe

The entire night was a massive success for us, all of our clients had a fantastic evening which they are still talking about.

Fernando Hamid, BBC

We used Cornucopia Events™ for our Company Christmas/New Year party – the venue worked extremely well offering lots of scope for different types of events with its many services. The organisers and staff were very helpful and professional before, during and after the event which added to the success of the evening. I would definitely recommend this company.

Jenny Scott, UK Marketing Manager, FHM

Cornucopia Events™ has provided the ideal venues for our staff Xmas party for two years in a row. Mini and the rest of the Cornucopia Events™ team, went out of their way to deliver the best possible package and accommodated our requests and needs. Both years have been a great success.

Kate Oates, Events Officer, Topshop Topman

La Senza did their first event with Cornucopia Events™ They were all a delight to work with from beginning to end and we would not hesitate to take more of our top end clients back to Cornucopia Events™.

Jennifer Bowles, La Senza Lingerie

Cornucopia Events™ were exceptionally accommodating and very helpful on the day of our run through, actively helping us alter the venue we chose for TV purposes. Their staff were more than happy to help as we asked for various changes and a constantly growing list of requirements as well as joining in as participants to help us make up the numbers. We wouldn't hesitate to return to Cornucopia Events™ for projects in the future!

BESPOKE EVENTS TAILORED FOR EXTRAORDINARY EXPERIENCES

Hosting stylish events, Cornucopia Events™ has never failed to deliver for me. The level of care and support through the events has beaten any company I've dealt with previously. Cornucopia Events™ recently organised a secretarial hospitality event for my hospital. They took us on a champagne flight on the London Eye and to the Marriott County Hall for drinks and food afterwards. The whole event went off seamlessly, I didn't have to worry about a thing – just entertain my guests. Their suggestion of bringing a magician with them was met with some trepidation, but it's been the main talking point since then. I'm likely to use them for all future events.

Now that I've experienced several corporate events with CE, I've started using them for social events too. If you want an exclusive night out, use Mini. He's a fantastic host and it's refreshing to be ushered to a table, rather than waiting in a long queue. I've recommended his service to all of my friends and several of my colleagues, the ones who I'd enjoy a night out with anyway!

Kate Jaffe, Marketing Assistant, The Hospital of St John and St Elizabeth

We had used Cornucopia Events™ for our staff Christmas party and it worked really well so we decided to use them again. We have a lot of staff based in our flagship store so we needed a huge venue to be able to invite them all. Both parties went incredibly well. The different venues meant we could target different age groups with different music and activities and we were able to theme it to fit in with our store's theme for Christmas – the venues looked amazing!

Natalie Gonzales, Marketing, Selfridges

We held a private party for one of our top clients with Cornucopia Events™ in January 2007. Mini and the team were extremely helpful in the run up and on the day and night itself they took everything in their stride, nothing was too much trouble – truly professional approach. The entire event was a huge success, the venue was absolutely brilliant and I'd have no hesitation whatsoever in using Cornucopia Events™ again and have recommended them to all my best clients. Many thanks to you all.
