## Comments From Our Clients

"Cornucopia Events™ very quickly locked on to the flavour and charm Coca Cola were looking for and wanted for our Christmas Party. They thought of all the tiny details to make the evening memorable and flowing. Their staff were delightful and I had many comments about how classy the event was. All 350 of our staff loved the night and the party was the talking point in the office way into January of the following year!" - **Chris Bond, Coca Cola**

"Cornucopia Events™ were fantastic and helped make the MTV Europe staff summer party go down in our history as one of the best. Great attention to detail, always on the end of the phone and always with a smile. A very happy and pleasant experience." - **Nicole Mclean, Pan European Events Coordinator, MTV Networks Europe**

"Cornucopia Events™ were exceptionally accommodating and very helpful on the day of our run through, actively helping us alter the venue we chose for TV purposes. Their staff were more than happy to help as we asked for various changes and a constantly growing list of requirements as well as joining in as participants to help us make up the numbers. We wouldn't hesitate to return to Cornucopia Events™ for projects in the future!" - **Camilla Knight, Production Manager, Endemol UK**

"The entire night was a massive success for us, all of our clients had a fantastic evening which they are still talking about." - **Fernando Hamid, BBC**
